

Subsidiary Tree History

For those who have previously accessed our subsidiary trees Canal2-7, they have all been merged into our main tree, Canal1. This is what happened to them:-

Canal Family 2: 95 people, launched June 2012, merged June 2014

Canal Family 3: 24 people, launched June 2012, merged July 2019

Canal Family 4: 273 people, launched 2013, merged October 2013.

Canal Family 5: 120 people, launched February 2014, updated to 125 people in 2019, merged March 2021

Canal Family 6: 124 people, launched July 2017, merged October 2017

Canal Family 7: 523 people, launched November 2017, expanded to 1,063 people and merged January 2019

Canal Family 8: 952 people, launch abandoned when link found to Canal7 as it was being expanded, so included in the 2019 merge.
